

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gregg Neiman
DOCKET NO.: 21-02277.001-R-1
PARCEL NO.: 16-34-108-016

The parties of record before the Property Tax Appeal Board are Gregg Neiman, the appellant, by attorney Andrew J. Rukavina of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,121
IMPR.: \$136,555
TOTAL: \$217,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,883 square feet of living area. The dwelling was constructed in 1967. Features of the home include a basement, central air conditioning, a fireplace and a 506 square foot garage. The property has a 14,930 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .18 of a mile from the subject property. The comparables have sites that range in size from 12,250 to 20,920 square feet of land area. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,760 to 3,270 square feet of living area. The

dwellings were built from 1964 to 1966 with comparables #1, #4 and #5 having a reported effective ages of 1982, 1965 and 1977, respectively. The comparables each have a basement, four of which have finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 462 to 552 square feet of building area. The comparables sold from March to October 2020 for prices ranging from \$625,000 to \$692,000 or from \$198.78 to \$225.21 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$201,867, which would reflect a market value of \$605,662 or \$210.08 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$217,676. The subject's assessment reflects a market value of \$654,665 or \$227.08 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .27 of a mile from the subject property. The comparables have sites that range in size from 11,450 to 27,330 square feet of land area. The comparables are improved with two-story dwellings of brick, aluminum siding, wood siding or brick and wood siding exterior construction ranging in size from 2,542 to 3,073 square feet of living area. The dwellings were built from 1964 to 1968 and have reported effective ages ranging from 1965 to 1985. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 517 square feet of building area. The comparables sold from January to November 2021 for prices ranging from \$735,000 to \$800,000 or from \$252.40 to \$314.71 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's #1, #3, #4 and #5, as well as board of review comparables #1, #4 and #5 due to their finished basement areas, not a feature of the subject.

The Board finds the parties' remaining comparables are similar to the subject in location, dwelling size, design, age and some features. These three comparables sold from March 2020 to November 2021 for prices ranging from \$675,000 to \$785,000 or from \$208.08 to \$257.55 per square foot of living area, including land. The subject's assessment reflects a market value of

\$654,665 or \$227.08 per square foot of living area, including land, which falls below the range established by the best comparable sales in the record in terms of overall market value but within the range on a price per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
