

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christina Grobman
DOCKET NO.: 21-02287.001-R-1
PARCEL NO.: 10-21-202-006

The parties of record before the Property Tax Appeal Board are Christina Grobman, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,477
IMPR.: \$194,441
TOTAL: \$246,918

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stone and Dryvit exterior construction with 5,208 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a garage containing 1,088 square feet of building area. The property has a 17,140 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .62 of a mile of the subject, one of which is in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick, Dryvit, or brick and Dryvit exterior construction ranging in size from 4,051 to 5,505 square feet of living area. The homes were built from 1998 to 2018. Each dwelling has central air conditioning, one or three fireplaces, and a garage ranging in size from

564 to 1,213 square feet of building area. Two comparables each have a basement with finished area. Comparable #2 has a crawl-space foundation and a partially finished attic. The parcels range in size from 8,710 to 23,470 square feet of land area. The comparables sold from November 2018 to August 2020 for prices ranging from \$567,750 to \$725,000 or from \$130.41 to \$140.15 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$228,608, for an estimated market value of \$685,893 or \$131.70 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$246,918. The subject's assessment reflects a market value of \$742,611 or \$142.59 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .39 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of Dryvit, Brick and Dryvit, or brick and wood siding exterior construction ranging in size from 4,987 to 5,547 square feet of living area. The dwellings were built in 1996 or 1997. Each dwelling has central air conditioning, two to four fireplaces, a basement with finished area, and a garage ranging in size from 819 to 862 square feet of building area. Comparable #1 has an inground swimming pool. The parcels range in size from 20,100 to 36,590 square feet of land area. The comparables sold from April to July 2021 for prices ranging from \$760,000 to \$855,000 or from \$152.40 to \$160.38 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate to the January 1, 2021 valuation date at issue. The Board also gives reduced weight to board of review comparable #1 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and board of review comparable sales #2 and #3, which sold proximate to the valuation date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold from August 2020 to July 2021 for prices ranging from \$639,000 to \$855,000 or from \$130.41 to \$154.14 per square foot of living area, including land. The subject's

assessment reflects a market value of \$742,611 or \$142.59 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
