

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jialin Li
DOCKET NO.: 21-02289.001-R-1
PARCEL NO.: 10-25-201-003

The parties of record before the Property Tax Appeal Board are Jialin Li, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,316
IMPR.: \$52,145
TOTAL: \$65,461

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,514 square feet of living area. The dwelling was constructed in 1957. Features of the home include a crawl-space foundation, central air conditioning, and a garage containing 396 square feet of building area. The property has a 7,380 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .39 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of brick, wood siding, or vinyl siding exterior construction ranging in size from 912 to 1,586 square feet of living area. The homes were built from 1956 to 1958. Two dwellings each have unfinished basements, three comparables each have crawl-space foundations, three

comparables have central air conditioning, and three comparables each have a garage ranging in size from 480 to 528 square feet of building area. The parcels range in size from 6,750 to 9,580 square feet of land area. The comparables sold from September 2018 to August 2020 for prices ranging from \$98,804 to \$172,000 or from \$93.02 to \$109.65 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$49,382, for an estimated market value of \$148,161 or \$97.86 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,461. The subject's assessment reflects a market value of \$196,875 or \$130.04 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .27 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding or brick exterior construction ranging in size from 1,308 to 1,524 square feet of living area. The dwellings were built from 1948 to 1971. Each dwelling has central air conditioning and a garage ranging in size from 336 to 528 square feet of building area. Three comparables have crawl-space foundations and two comparables have concrete slab foundation. Three comparables each have a fireplace. The parcels range in size from 7,280 to 11,000 square feet of land area. The comparables sold from June 2020 to December 2021 for prices ranging from \$209,999 to \$260,000 or from \$151.39 to \$170.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 through #4, which sold less proximate to the January 1, 2021 valuation date at issue or differ from the subject in dwelling size, foundation, and/or garage feature.

The Board finds the best evidence of market value to be appellant's comparable sale #5 and the board of review's comparable sales, which sold proximate to the valuation date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold from April 2020 to December 2021 for prices ranging from \$172,000 to \$260,000 or from \$108.45 to \$170.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$196,875 or \$130.04 per square foot of living area, including land, which is within the range established by the best comparable sales in this

record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
