

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shelley Clark  
DOCKET NO.: 21-02296.001-R-1  
PARCEL NO.: 10-24-107-012

The parties of record before the Property Tax Appeal Board are Shelley Clark, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$56,032  
**IMPR.:** \$52,031  
**TOTAL:** \$108,063

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding and brick exterior construction with 1,712 square feet of living area. The dwelling was constructed in 1970. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 462 square foot garage. The property has an approximately 18,090 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.58 of a mile from the subject. The parcels range in size from 10,660 to 13,220 square feet of land area and are improved with 1-story homes of wood siding exterior construction ranging in size from 1,463 to 1,727 square feet of living area. The dwellings were built from 1955 to 1973. Two homes each have a crawl space foundation and one home has a basement. Two homes each have central air

conditioning, one home has a fireplace, and each home has a garage ranging in size from 270 to 589 square feet of building area. The comparables sold from October 2019 to January 2021 for prices ranging from \$224,000 to \$245,000 or from \$129.70 to \$165.41 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,164. The subject's assessment reflects a market value of \$418,538 or \$244.47 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales<sup>1</sup> located within 0.46 of a mile from the subject. The parcels range in size from 12,000 to 19,210 square feet of land area and are improved with 1-story or split-level homes of wood siding, wood siding and brick, or vinyl siding and brick exterior construction. The homes range in size from 978 to 2,192 square feet of living area and were built from 1963 to 1966 with comparable #2 having an effective age of 1980. Each home has a basement with finished area and one home also has lower level with finished area. Each home features central air conditioning, one or two fireplaces, and a garage ranging in size from 529 to 582 square feet of building area. Comparable #1 has a bath house. The comparables sold in June or October 2020 for prices ranging from \$385,000 to \$520,000 or from \$237.23 to \$393.66 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables, due to substantial differences from the subject in design or dwelling size. The Board also gives less weight to the appellant's comparable #1, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3, which are more similar to the subject in design, dwelling size, location, site size, and some features. However, these comparables are older homes than the subject and lack a basement, finished basement area, and/or central air conditioning that are features of the subject, suggesting

upward adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$224,000 and \$242,000 or for \$129.70 and \$165.41 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$418,538 or \$244.47 per square foot of living area, including land, which is above the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
