

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Herman
DOCKET NO.: 21-02297.001-R-1
PARCEL NO.: 10-24-410-001

The parties of record before the Property Tax Appeal Board are David Herman, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,192
IMPR.: \$55,597
TOTAL: \$76,789

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding and stone exterior construction with 1,292 square feet of living area. The dwelling was constructed in 1959 and has an effective age of 1973. Features of the home include a basement with finished area, central air conditioning, and a 528 square foot garage. The property has an approximately 14,410 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.81 of a mile from the subject. The parcels range in size from 10,250 to 14,700 square feet of land area and are improved with 1-story homes of wood siding, vinyl siding, or brick and wood siding exterior construction. The homes range in size from 960 to 1,755 square feet of living area and were built from 1955 to 1960. Two homes each have a basement, one of which has finished area, two

homes each have a crawl space foundation, and one home has a concrete slab foundation. Four homes have central air conditioning, one home has a fireplace, and four homes each have a garage ranging in size from 357 to 720 square feet of building area. The comparables sold from April 2019 to February 2021 for prices ranging from \$168,500 to \$228,000 or from \$113.96 to \$175.52 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,789. The subject's assessment reflects a market value of \$230,944 or \$178.75 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.67 of a mile from the subject. The parcels range in size from 7,800 to 10,660 square feet of land area and are improved with 1-story homes of wood siding and wood siding and brick exterior construction ranging in size from 1,113 to 1,463 square feet of living area. The dwellings were built from 1955 to 1974. Each home has a basement, three of which have finished area, and a garage ranging in size from 270 to 484 square feet of building area. Four homes have central air conditioning and three homes each have a fireplace. The comparables sold from June 2020 to December 2021 for prices ranging from \$242,000 to \$284,000 or from \$165.41 to \$255.17 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, due to substantial differences from the subject in dwelling size and/or garage amenity. Moreover, the appellant's comparables #2 and #4 sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables, which are more similar to the subject in dwelling size, age, location, site size, and features, although two of these comparables lack finished basement area and one comparable lacks central air conditioning which are features of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$242,000 to \$284,000 or from \$165.41 to \$255.17 per square foot of living area, including land. The subject's assessment reflects a market value of

\$230,944 or \$178.75 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
