

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arthur Venturi  
DOCKET NO.: 21-02307.001-R-1  
PARCEL NO.: 07-09-201-002

The parties of record before the Property Tax Appeal Board are Arthur Venturi, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,793  
**IMPR.:** \$162,102  
**TOTAL:** \$199,895

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,758 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement, central air conditioning, two fireplaces, a 768 square foot attached garage, and a 1,456 square foot detached garage. The property has an approximately 121,390 square foot site and is located in Wadsworth, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.98 of a mile from the subject. The parcels range in size from 88,240 to 248,000 square feet of land area and are improved with 1.5-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 4,743 to 5,888 square feet of living area. The

dwellings were built from 1987 to 2001. Each home has a basement, one of which has finished area, central air conditioning, one to three fireplaces, and an attached garage ranging in size from 793 to 1,125 square feet of building area. The comparables sold from January 2018 to September 2020 for prices ranging from \$350,000 to \$550,000 or from \$64.52 to \$106.36 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,895. The subject's assessment reflects a market value of \$601,188 or \$126.35 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.98 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #3. The parcels range in size from 88,240 to 233,750 square feet of land area and are improved with 1.5-story or 2-story homes of brick or wood siding exterior construction ranging in size from 3,916 to 5,171 square feet of living area. The dwellings were built from 1987 to 1995. Each home has a basement, three of which have finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 766 to 900 square feet of building area. The comparables sold from October 2019 to May 2020 for prices ranging from \$550,000 to \$600,000 or from \$106.36 to \$143.00 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5 and the board of review's comparables #1 and #4, due to substantial differences from the subject in dwelling size and/or lot size and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #3 and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, and some features, although these comparables have smaller sites than the subject, each has one garage compared to the subject's two garages, and one of these comparables has finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$550,000 or for \$106.36 and \$133.24 per square foot

of living area, including land. The subject's assessment reflects a market value of \$601,188 or \$126.35 per square foot of living area, including land, which is above the best comparable sales in terms of total market value but is bracketed by the best comparables on a price per square foot basis and appears to be justified after considering appropriate adjustments to the best comparables for differences from the subject. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
