

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nordean Moustaf
DOCKET NO.: 21-02308.001-R-1
PARCEL NO.: 14-07-101-053

The parties of record before the Property Tax Appeal Board are Nordean Moustaf, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,667
IMPR.: \$276,790
TOTAL: \$326,457

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 6,886 square feet of living area. The dwelling was constructed in 2007 and has an effective age of 2011. Features of the home include a basement, central air conditioning, four fireplaces, a 980 square foot garage, and an inground swimming pool. The property has a 58,397 square foot site and is located in North Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.54 of a mile from the subject. The parcels range in size from 32,392 to 57,322 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 5,930 to 7,139 square feet of living area. The dwellings were built in 1988 or 1990 with comparable #1 having an effective age of 2003. Each home has a basement, one of which is a walkout, central

air conditioning, one or three fireplaces, and a garage ranging in size from 872 to 1,259 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from November 2019 to October 2020 for prices ranging from \$550,000 to \$860,000 or from \$92.75 to \$120.47 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$326,457. The subject's assessment reflects a market value of \$981,826 or \$142.58 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.57 of a mile from the subject. The parcels range in size from 32,670 to 56,090 square feet of land area and are improved with 2-story homes of brick, stone, or brick and wood siding exterior construction ranging in size from 6,086 to 7,020 square feet of living area. The dwellings were built from 1996 to 2005. Each home has a basement, two of which have finished area, central air conditioning, two to six fireplaces, and a garage ranging in size from 1,122 to 1,392 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from June 2020 to December 2021 for prices ranging from \$900,000 to \$1,635,000 or from \$147.88 to \$255.59 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1 and #3, due to substantial differences from the subject in dwelling size, lot size, and/or age. Moreover, the appellant's comparable #3 sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #2, #4, and #5, which are similar to the subject in dwelling size, age, location, site size, and features, although these comparables lack an inground swimming pool that is a feature of the subject and two of these comparables have finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$1,350,000 to \$1,600,000 or from \$219.05 to

\$255.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$981,826 or \$142.58 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
