

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shreekant Karmarkar  
DOCKET NO.: 21-02312.001-R-1  
PARCEL NO.: 14-03-107-001

The parties of record before the Property Tax Appeal Board are Shreekant Karmarkar, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,523  
**IMPR.:** \$129,602  
**TOTAL:** \$173,125

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,778 square feet of living area. The dwelling was constructed in 2017. Features of the home include a basement, central air conditioning, a fireplace, and a 640 square foot garage. The property has an 11,339 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.20 of a mile from the subject. The parcels range in size from 9,178 to 14,953 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,797 to 3,560 square feet of living area. The dwellings were built from 2015 to 2018. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 486 to 770

square feet of building area. The comparables sold from April 2018 to October 2020 for prices ranging from \$495,000 to \$614,000 or from \$166.05 to \$182.37 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,125. The subject's assessment reflects a market value of \$520,677 or \$187.43 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.57 of a mile from the subject. The parcels range in size from 7,150 to 29,160 square feet of land area and are improved with 2-story or part 1-story part 2-story homes<sup>1</sup> of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,546 to 3,652 square feet of living area. The dwellings were built from 2005 to 2017. Each home has a basement, one of which has finished area, central air conditioning, and a garage ranging in size from 428 to 703 square feet of building area. Four homes each have a fireplace. The comparables sold from January 2020 to November 2021 for prices ranging from \$500,000 to \$665,000 or from \$173.88 to \$221.59 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #4 and #5, which are less similar to the subject in dwelling size, age, lot size, and/or basement finish than the other comparables in this record and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #3, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$500,000 to \$518,500 or from \$188.10 to \$196.39 per square foot of living area, including land. The subject's assessment

<sup>1</sup> The board of review reported comparables #1 and #2 are 1-story homes but also reported above ground living area that is greater than the ground floor living area for each home, suggesting these homes each have second floor living area.

reflects a market value of \$520,677 or \$187.43 per square foot of living area, including land, which is within the range established by the best comparable sales in terms of total market value and below the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
