

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mitchell Fields
DOCKET NO.: 21-02352.001-R-1
PARCEL NO.: 15-21-101-045

The parties of record before the Property Tax Appeal Board are Mitchell Fields, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,659
IMPR.: \$122,773
TOTAL: \$169,432

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,533 square feet of living area. The dwelling was constructed in 1988 and is approximately 33 years old. Features of the home include a basement, central air conditioning, a fireplace and a 420 square foot garage. The property has an approximately 11,284 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .44 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,397 to 2,517 square feet of living area. The dwellings are 31 or 32 years old. The comparables each have a basement, one of

which has finished area. Each comparable has central air conditioning and a garage with either 420 or 440 square feet of building area. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$105,416 to \$112,681 or from \$43.72 to \$44.87 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$112,300 or \$44.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,432. The subject property has an improvement assessment of \$122,773 or \$48.47 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on ten equity comparables that have the same assessment neighborhood code as the subject and are located from .05 of a mile to 1.05 miles from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,507 to 2,559 square feet of living area. The dwellings were built from 1988 to 1992. The dwellings each have a basement, four of which have finished area. Each comparable has central air conditioning and a garage with either 420 or 684 square feet of building area. Eight comparables each have a fireplace. The comparables have improvement assessments ranging from \$122,284 to \$129,648 or from \$48.28 to \$50.86 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 14 suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #3, as well as board of review comparables #3, #6, #7 and #9 due to their finished basements, not a feature of the subject. The Board has also given less weight to board of review comparable #1 due to its distant location from the subject being more than one miles away.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$105,416 to \$129,648 or from \$43.72 to \$50.86 per square foot of living area. The subject's improvement assessment of \$122,773 or \$48.47 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
