

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dazhi Chen
DOCKET NO.: 21-02354.001-R-1
PARCEL NO.: 15-16-105-006

The parties of record before the Property Tax Appeal Board are Dazhi Chen, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,580
IMPR.: \$162,418
TOTAL: \$202,998

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 2,834 square feet of living area. The dwelling was constructed in 1994 and is approximately 27 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 440 square foot garage. The property also has a hot tub, a gazebo and a metal utility shed.¹ The property has an approximately 11,716 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located

¹ The subject's property record card provided by the board of review disclosed the subject property has a hot tub, a gazebo and a metal utility shed, which were not disclosed nor refuted by the appellant.

within .29 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding and brick exterior construction ranging in size from 2,834 to 3,045 square feet of living area. The dwellings are 25 to 29 years old. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 440 to 653 square feet of building area. The comparables have improvement assessments ranging from \$150,657 to \$162,051 or from \$52.45 to \$53.96 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$150,761 or \$53.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,998. The subject property has an improvement assessment of \$162,418 or \$57.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on seven equity comparables that have the same assessment neighborhood code as the subject and are located within .27 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding and brick exterior construction ranging in size from 2,807 to 3,016 square feet of living area. The dwellings were built from 1994 to 2001. The dwellings each have a basement, four of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 440 to 921 square feet of building area. Six comparables each have a fireplace. Two comparables each have an inground swimming pool. The comparables have improvement assessments ranging from \$163,222 to \$178,906 or from \$57.11 to \$63.13 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 11 suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #4, as well as board of review comparables #1, #2, #3 and #7 due to their finished basements, not a feature of the subject. Furthermore, board of review comparables #2 and #7 each have an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$150,657 to \$172,230 or from \$52.45 to \$57.74 per square foot of living area. The subject's improvement assessment of \$162,418 or \$57.31 per square foot of living area falls within the range established by the best

comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
