

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Huaying Yang
DOCKET NO.: 21-02362.001-R-1
PARCEL NO.: 15-16-208-049

The parties of record before the Property Tax Appeal Board are Huaying Yang, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,895
IMPR.: \$231,525
TOTAL: \$266,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and Dryvit exterior construction with 3,699 square feet of living area. The dwelling was constructed in 2007 and is approximately 14 years old. Features of the home include an English basement with finished area that includes a second kitchen,¹ central air conditioning, a fireplace and a 681 square foot garage. The property has an approximately 8,891 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

¹ The subject's 2015 Multiple Listing Service (MLS) data sheet presented by the board of review disclosed the subject has a finished English basement that has a second kitchen, a bedroom, a bathroom and a large 1,125 square foot recreation room, which was not refuted by the appellant.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .07 of a mile from the subject. The comparables are improved with two-story dwellings of brick and Dryvit or wood siding and brick exterior construction ranging in size from 3,710 to 4,022 square feet of living area. The dwellings are 12 or 16 years old. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 669 to 724 square feet of building area. The comparables have improvement assessments ranging from \$192,654 to \$233,671 or from \$51.93 to \$59.23 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$204,582 or \$55.31 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$266,420. The subject property has an improvement assessment of \$231,525 or \$62.59 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .06 of a mile from the subject property. The comparables are improved with two-story dwellings of brick, brick and stone or brick and Dryvit exterior construction ranging in size from 3,119 to 3,645 square feet of living area. The dwellings were built in 2006 or 2007. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 660 to 762 square feet of building area. The comparables have improvement assessments ranging from \$199,114 to \$220,995 or from \$60.63 to \$64.32 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to board of review comparable #4 due to its smaller dwelling size, when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$192,654 to \$233,671 or from \$51.93 to \$64.32 per square foot of living area. The subject's improvement assessment of \$231,525 or \$62.59 per square foot of living area falls within the range established by the best

comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
