

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Bremer
DOCKET NO.: 21-02364.001-R-1
PARCEL NO.: 15-17-412-011

The parties of record before the Property Tax Appeal Board are William Bremer, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,181
IMPR.: \$134,140
TOTAL: \$174,321

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,838 square feet of living area. The dwelling was constructed in 1990 and is approximately 31 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 525 square foot garage. The property has a 16,942 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .20 of a mile from the subject. The comparables are improved with two-story dwellings of brick, wood siding or wood siding and brick exterior construction ranging in size from 3,260 to 3,288 square feet of living area. The dwellings are 23 to 31 years old. The comparables each

have a basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 720 square feet of building area. The comparables have improvement assessments ranging from \$140,550 to \$148,582 or from \$42.75 to \$45.27 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$126,432 or \$44.55 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,321. The subject property has an improvement assessment of \$134,140 or \$47.27 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .52 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,919 to 3,208 square feet of living area. The dwellings were built from 1996 to 2003. Each comparable has a basement with finished area, central air conditioning, a fireplace and a garage ranging in size from 630 to 672 square feet of building area. The comparables have improvement assessments ranging from \$142,153 to \$156,444 or from \$48.70 to \$50.21 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables and board of review comparables #3 and #4 due to their larger dwelling sizes and/or newer age, when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2, which are overall more similar to the subject in location, dwelling size, design, age and some features. These two comparables have improvement assessments of \$142,153 and \$148,314 or \$48.70 and \$50.21 per square foot of living area. The subject's improvement assessment of \$134,140 or \$47.27 per square foot of living area falls below the two best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
