

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bogdan Trytko
DOCKET NO.: 21-02387.001-R-1
PARCEL NO.: 15-18-405-006

The parties of record before the Property Tax Appeal Board are Bogdan Trytko, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,683
IMPR.: \$237,091
TOTAL: \$278,774

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and Dryvit exterior construction with 4,737 square feet of living area. The dwelling was constructed in 1994 and is approximately 27 years old. Features of the home include a basement with finished area, central air conditioning, five fireplaces, and a garage containing 881 square feet of building area. The property has a 34,910 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .84 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick, Dryvit, or brick and Dryvit exterior construction ranging in size from 4,632 to 5,120 square feet of living area. The

homes are 23 to 28 years old. Each dwelling has central air conditioning, two to four fireplaces, a basement with two having finished area, and a garage ranging in size from 840 to 888 square feet of building area. The comparables have improvement assessments ranging from \$200,962 to \$226,874 or from \$42.77 to \$45.63 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$208,546 or \$44.02 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$278,774. The subject property has an improvement assessment of \$237,091 or \$50.05 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .84 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story or part one-story and part two-story dwellings¹ of brick, Dryvit, or brick and Dryvit exterior construction ranging in size from 4,479 to 4,923 square feet of living area. The homes were built from 1991 to 2000. Each dwelling has central air conditioning, two fireplaces, a basement with finished area, and a garage ranging in size from 768 to 936 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$236,604 to \$250,245 or from \$50.05 to \$52.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 and #2 which lack finished basement area when compared to the subject. The Board also gives reduced weight to board of review comparable #3 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 along with board of review comparables #1, #2, and #4, which are similar to the subject in age, dwelling size, location, and features. These comparables had improvement assessments that ranged from \$211,727 to \$245,047 or from \$44.31 to \$52.83 per square foot of living area. The subject's improvement assessment of \$237,091 or \$50.05 per square foot of living area falls

¹ Although the board of review describes comparable #1 as a one-story dwelling, the grid reports a 1,223 square foot ground floor and 4,479 square feet of above ground living area, indicating that this is a part two-story dwelling.

within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
