

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Castro  
DOCKET NO.: 21-02391.001-R-1  
PARCEL NO.: 16-32-402-018

The parties of record before the Property Tax Appeal Board are Elizabeth Castro, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,480  
**IMPR.:** \$100,829  
**TOTAL:** \$152,309

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,110 square feet of living area. The dwelling was constructed in 1960 and is approximately 61 years old. Features of the home include a concrete slab foundation, two fireplaces, and a garage containing 480 square feet of building area. The property has an approximately 10,120 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .31 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 1,970 to 2,668 square feet of living area. The homes are 55 to 62 years old. Each dwelling has central air

conditioning and a garage ranging in size from 420 to 626 square feet of building area. Four comparables each have basement with one having finished area and one comparable has a concrete slab foundation. Comparables #2 and #5 each have a fireplace. The parcels range in size from 8,999 to 9,600 square feet of land area. The comparables sold from June 2019 to November 2020 for prices ranging from \$401,000 to \$535,000 or from \$190.53 to \$203.55 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$140,246, for an estimated market value of \$420,780 or \$199.42 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,309. The subject's assessment reflects a market value of \$458,072 or \$217.10 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparables located within .67 of a mile of the subject and within the subject's assessment neighborhood. The board of review did not provide any sales data for comparables #2 through #5, therefore, these properties will not be further discussed. Comparable #1 is a two-story dwelling of brick exterior construction containing 2,242 square feet of living area. The dwelling was built in 1959 and has a fireplace, a basement, a 504 square foot garage, and a 9,900 square foot parcel. Comparable #1 sold in March 2021 for \$560,000 or \$249.78 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in foundation, central air conditioning, and dwelling size. Nevertheless, the Board gives less weight to the appellant's comparables #1, #2, and #4 due to their larger dwellings in relation to the subject, and appellant comparable #5, which sold less proximately to the January 1, 2021 valuation date at issue.

The Board finds the best evidence of market value to be appellant's comparable sale #3 and the board of review comparable sale, which are similar to the subject in age, location, and dwelling size. These most similar comparables sold for prices of \$500,000 and \$560,000 or for \$202.18 and \$249.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$458,072 or \$217.10 per square foot of living area, including land, which is

bracketed by the best comparable sales in this record on a per-square-foot basis, and falls below the best comparables overall. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
