

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dayna Zelniker
DOCKET NO.: 21-02413.001-R-1
PARCEL NO.: 16-27-102-014

The parties of record before the Property Tax Appeal Board are Dayna Zelniker, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,777
IMPR.: \$84,112
TOTAL: \$137,889

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,405 square feet of living area. The dwelling was constructed in 1947 and is approximately 74 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has an approximately 9,450 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .65 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 2,041 to 2,704 square feet of living area. The homes are 44 to 96 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with

two having finished area, and a garage ranging in size from 400 to 528 square feet of building area. The comparables have improvement assessments ranging from \$60,742 to \$79,459 or from \$29.39 to \$30.56 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$71,669 or \$29.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,889. The subject property has an improvement assessment of \$84,112 or \$34.97 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .44 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,160 to 2,752 square feet of living area. The homes were built from 1926 to 1965, with effective ages ranging from 1950 to 1989. Each dwelling has central air conditioning, a basement with two having finished area, and a garage ranging in size from 308 to 528 square feet of building area. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$94,654 to \$112,827 or from \$35.03 to \$48.34 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in age/effective age, dwelling size, and/or basement finish. Nevertheless, the Board has given reduced weight to the appellant's comparables #3 and #4, as well as board of review comparables #2 and #5, due to their finished basements, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 along with board of review comparables #1, #3, and #4, which have varying degrees of similarity to the subject. These comparables have improvement assessments that range from \$76,371 to \$104,425 or from \$29.39 to \$48.34 per square foot of living area. The subject's improvement assessment of \$84,112 or \$34.97 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
