

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carrie Goldfeder
DOCKET NO.: 21-02427.001-R-1
PARCEL NO.: 16-26-406-051

The parties of record before the Property Tax Appeal Board are Carrie Goldfeder, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.¹

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$89,737
IMPR.: \$278,987
TOTAL: \$368,724

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and stone exterior construction with 4,050 square feet of living area. The dwelling was constructed in 2008 and is 13 years old. Features of the home include a full basement with finished area, central air conditioning, one fireplace, and an attached 814 square foot garage. The property has a 17,066 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of wood siding or brick exterior

construction that range in size from 3,515 to 4,056 square feet of living area and are 14 to 21 years old. The comparables have full basements with three having finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage ranging in size from 420 to 725 square feet of building area. The comparables have improvement assessments that range from \$171,446 to \$226,400 or from \$46.17 to \$56.70 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$368,724. The subject property has an improvement assessment of \$278,987 or \$68.89 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property. Board of review comparable #4 is the same property as appellant's comparable #4. The comparables are improved with two-story dwellings of wood siding, stone, stucco and/or brick exterior construction ranging in size from 3,268 to 4,412 square feet of living area. The homes were built from 2004 to 2007. Each comparable has a full basement with finished area, central air conditioning, one or two fireplaces and an attached or a detached garage ranging in size from 420 to 748 square feet of building area. The comparables have improvement assessments that range from \$191,368 to \$293,010 or from \$56.70 to \$69.75 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration as one comparable was common to both parties. The Board gives less weight to appellant's comparable #1 which has an unfinished basement and to board of review comparables #1 and #5 which have a smaller dwelling size when compared to the subject. The Board finds the best evidence of assessment equity to be the parties' remaining six comparables which includes the common comparable. These comparables are more similar to the subject in location, age, dwelling size, and features. These comparables have improvement assessments ranging from \$193,666 to \$293,010 or from \$51.60 to \$69.75 per square foot of living area. The subject's improvement assessment of \$278,987 or \$68.89 per square foot of living area is within the range established by the best comparables in the record. Based on this evidence and after considering any adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
