

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Martin Taylor  
DOCKET NO.: 21-02428.001-R-1  
PARCEL NO.: 16-32-315-024

The parties of record before the Property Tax Appeal Board are Martin Taylor, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,339  
**IMPR.:** \$130,733  
**TOTAL:** \$185,072

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,508 square feet of living area. The dwelling was constructed in 1969 and is approximately 52 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 483 square foot garage. The property has a 10,720 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.41 of a mile from the subject. The parcels range in size from 10,798 to 12,000 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 2,824 to 2,888 square feet of living area. The dwellings range in age from 47 to 52 years old. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and a 440 square

foot garage. The comparables sold from March 2019 to June 2020 for prices ranging from \$485,000 to \$605,000 or from \$171.74 to \$210.07 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,072. The subject's assessment reflects a market value of \$556,608 or \$221.93 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where comparable #3 is the same property as the appellant's comparable #4. Comparables #1 and #2 are located within 0.48 of a mile from the subject and have 10,800 or 12,120 square foot sites. These two comparables are improved with 2-story homes of brick and wood siding exterior construction with 2,638 or 2,754 square feet of living area. The dwellings were built in 1975 or 1976. Each home has a basement, central air conditioning, a fireplace, and a 484 or a 506 square foot garage. These comparables sold in November 2020 and July 2021 for prices of \$578,000 and \$610,000 or for \$219.11 and \$221.50 per square foot of living area, including land, respectively.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #3, which are less similar to the subject in dwelling size than other comparables in this record. Moreover, the appellant's comparables #1 and #3 sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #2, which are more similar to the subject in dwelling size, age, location, site size, and features, although these comparables lack finished basement area that is a feature of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices \$578,000 and \$610,000 or for \$219.11 and \$221.50 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$556,608 or \$221.93 per square foot of living area, including land, which is below by the best comparable sales in the terms of total market value and above the best comparables on a price per square foot basis, which is logical given the

subject is a smaller home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
