

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ira Leibsker
DOCKET NO.: 21-02437.001-R-1
PARCEL NO.: 15-18-401-030

The parties of record before the Property Tax Appeal Board are Ira Leibsker, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,563
IMPR.: \$140,853
TOTAL: \$190,416

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,756 square feet of living area. The dwelling was constructed in 2001 and is approximately 20 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 710 square foot garage. The property has a 22,216 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story homes of wood siding exterior construction ranging in size from 2,244 to 2,631 square feet of living area. The dwellings range in age from 16 to 20

years old. Each home has a basement,¹ two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 530 to 690 square feet of building area. The comparables have improvement assessments ranging from \$110,211 to \$127,383 or from \$47.17 to \$49.11 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,416. The subject property has an improvement assessment of \$140,853 or \$51.11 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. Comparable #3 is the same property as the appellant's comparable #2. The comparables are improved with 1-story homes of wood siding exterior construction ranging in size from 2,358 to 2,822 square feet of living area. The dwellings were built from 2003 to 2005. Each home has a basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 552 to 792 square feet of building area. The comparables have improvement assessments ranging from \$116,220 to \$153,107 or from \$48.49 to \$54.25 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1, #3, and #5, due to substantial differences from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #4, which are more similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments of \$137,934 and \$153,107 or of \$54.07 and \$54.25 per square foot of living area. The subject's improvement assessment of \$140,853 or \$51.11 per square foot of living area is bracketed by the best comparables in terms of total improvement assessment and falls below the best comparables on a per square foot basis. Based on this record and after considering appropriate adjustments to the best comparables for

¹ Although the appellant reported comparable #4 has a crawl space foundation, the appellant also reported this home has finished basement area, suggesting this property has a part basement and part crawl space foundation.

differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
