

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Rebbeck
DOCKET NO.: 21-02440.001-R-1
PARCEL NO.: 13-16-402-004

The parties of record before the Property Tax Appeal Board are Christine Rebbeck, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,650
IMPR.: \$212,190
TOTAL: \$250,840

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of brick exterior construction with 4,685 square feet of living area. The dwelling was constructed in 2008. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 1,330 square foot garage. The property has an approximately 41,540 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from 1.19 to 2.09 miles from the subject. The comparables are improved with 1.5-story or 2-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 4,433 to 5,563 square feet of living area. The dwellings were built from 1990 to 1996.

The comparables each have a basement, two of which have finished area. Each comparable has central air conditioning, two or three fireplaces and a garage ranging in size from 916 to 1,243 square feet of building area. The comparables have improvement assessments ranging from \$177,000 to \$229,732 or from \$36.44 to \$41.30 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$184,401 or \$39.36 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,840. The subject property has an improvement assessment of \$212,190 or \$45.29 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from .03 of a mile to 1.44 miles from the subject property. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,863 to 5,347 square feet of living area. The dwellings were built from 2006 to 2009. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 722 to 1,227 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$186,579 to \$290,793 or from \$44.11 to \$65.41 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their older dwelling ages and/or lack of basement finished area, when compared to the subject. The Board has given reduced weight to board of review comparable #1 as it has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #3 and #4, which are most similar to the subject in age and relatively similar to the subject in location, dwelling size and some features. The comparables have improvement assessments ranging from \$186,579 to \$243,115 or from \$44.11 to \$53.98 per square foot of living area. The subject's improvement assessment of \$212,190 or \$45.29 per square foot of living area falls within the range established by the best comparables in the record. After considering

adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
