

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rebecca Bradley
DOCKET NO.: 21-02471.001-R-1
PARCEL NO.: 13-36-101-045

The parties of record before the Property Tax Appeal Board are Rebecca Bradley, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,685
IMPR.: \$117,738
TOTAL: \$158,423

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 2,477 square feet of living area. The dwelling was constructed in 1976 and is approximately 45 years old. Features of the home include a basement with 785 square feet of finished area, central air conditioning, a fireplace, and a 475 square foot garage. The property has a 13,132 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject and from 0.20 of a mile to 1.05 miles from the subject. The comparables are improved with 2-story homes of wood siding and brick or aluminum siding exterior construction ranging in size from 2,560 to 3,050 square feet of living area. The dwellings range in age from 29 to 48 years old. Each home

has a basement with 130 to 1,000 square feet of finished area, central air conditioning, a fireplace, and a garage ranging in size from 419 to 539 square feet of building area. The comparables have improvement assessments ranging from \$87,746 to \$107,685 or from \$33.11 to \$38.30 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$158,423. The subject property has an improvement assessment of \$117,738 or \$47.53 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject and from 0.08 to 0.94 of a mile from the subject. The comparables are improved with 2-story homes of wood siding, brick, aluminum siding, or aluminum siding and brick exterior construction. The homes range in size from 2,310 to 2,479 square feet of living area and were built from 1975 to 1991. Each home has a basement, three of which have 800 to 949 square feet of finished area, central air conditioning, a fireplace, and a garage ranging in size from 473 to 571 square feet of building area. The comparables have improvement assessments ranging from \$111,909 to \$129,853 or from \$48.05 to \$52.79 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 and the board of review's comparables #1, #3, #4, and #5, due to substantial differences from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$87,746 to \$119,031 or from \$33.11 to \$48.05 per square foot of living area. The subject's improvement assessment of \$117,738 or \$47.53 per square foot of living area falls within the range established by the best comparables in this record and is well supported by the board of review's comparable #2, which is the most similar comparable in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
