

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William & Linda Millman
DOCKET NO.: 21-02472.001-R-1
PARCEL NO.: 13-12-403-070

The parties of record before the Property Tax Appeal Board are William & Linda Millman, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,426
IMPR.: \$217,160
TOTAL: \$270,586

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,712 square feet of living area.¹ The dwelling was constructed in 1995 and is approximately 26 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a 937 square foot garage. The property has a 43,567 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The

¹ The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card presented by the board of review which contains a sketch with measurements.

comparables are improved with 2-story homes of brick, brick and wood siding, or brick and Dryvit exterior construction ranging in size from 4,821 to 6,125 square feet of living area. The dwellings range in age from 26 to 31 years old. Each home has a basement with finished area, central air conditioning, two to five fireplaces, and a garage ranging in size from 935 to 1,316 square feet of building area. The comparables have improvement assessments ranging from \$160,188 to \$201,000 or from \$32.15 to \$33.95 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$270,586. The subject property has an improvement assessment of \$217,160 or \$38.02 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story homes of brick exterior construction ranging in size from 5,082 to 6,831 square feet of living area. The dwellings were built from 1991 to 2003. Each home has a basement with finished area, two of which are walkout basements, central air conditioning, two to five fireplaces, and a garage ranging in size from 893 to 1,338 square feet of building area. Comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$200,003 to \$286,867 or from \$35.33 to \$41.99 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #3 and #4, due to substantial differences from the subject in dwelling size and/or inground swimming pool amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3, and #4 and the board of review's comparables #1, #2, and #5, which are more similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$193,750 to \$220,827 or from \$32.15 to \$39.07 per square foot of living area. The subject's improvement assessment of \$217,160 or \$38.02 per square foot of living area falls within the range established by the best comparables in this record. Based on

this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
