

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jinhe Li
DOCKET NO.: 21-02474.001-R-1
PARCEL NO.: 15-07-101-029

The parties of record before the Property Tax Appeal Board are Jinhe Li, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,393
IMPR.: \$147,370
TOTAL: \$204,763

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,899 square feet of living area. The dwelling was built in 1987. Features of the home include a basement with finished area, central air conditioning, three fireplaces, a garage with 864 square feet of building area, and a 510 square foot inground swimming pool. The property has an approximately 91,476 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.58 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 3,607 to 4,276

square feet of living area. Each comparable has a basement with two having finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 594 to 884 square feet of building area. The comparables have improvement assessments ranging from \$127,431 to \$154,032 or from \$35.33 to \$36.02 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$139,272 or \$35.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,763. The subject property has an improvement assessment of \$147,370 or \$37.80 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.65 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction that range in size from 3,617 to 3,894 square feet of living area. The homes were built from 1985 to 1996. Each comparable has a basement with two having finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 713 to 1,110 square feet of building area. Comparable #1 has an 800 square foot inground swimming pool. The comparables have improvement assessments ranging from \$137,396 to \$153,729 or from \$37.81 to \$41.19 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 as well as board of review comparables #1, #4, and #5 which lack basement finish, a feature of the subject.

The Board finds best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, basement finish, and most features. These four comparables have improvement assessments ranging from \$150,706 to \$154,032 or from \$35.78 to \$41.19 per square foot of living area. The subject's improvement assessment of \$147,370 or \$37.80 per square foot of living area falls below the range established by the best comparables in this record on an overall basis but within the range on a per square foot basis. Based on this record and after considering the necessary adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
