

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Dillenback
DOCKET NO.: 21-02495.001-R-1
PARCEL NO.: 15-12-201-002

The parties of record before the Property Tax Appeal Board are Eric Dillenback, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$84,058
IMPR.: \$103,388
TOTAL: \$187,446

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of brick and wood siding exterior construction with 2,142 square feet of living area. The dwelling was built in 1968 and is approximately 53 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace, and an attached garage with 506 square feet of building area. The property has an approximately 59,241 square foot site and is located in Lake Forest, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.46 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,330 to 2,496 square

feet of living area. The dwellings range in age from 51 to 58 years old. Each comparable has a basement with two having finished area, central air conditioning, one fireplace, and an attached garage ranging in size from 460 to 638 square feet of building area. The improvement assessments on these properties range from \$97,508 to \$111,059 or from \$41.85 to \$45.16 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$93,396 or \$43.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$187,446. The subject property has an improvement assessment of \$103,388 or \$48.27 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.42 of a mile from the subject. Board of review comparable #3 is the same property as the appellant's comparable #4. The comparables are improved with 2-story dwellings of brick, wood siding, or wood siding and brick exterior construction ranging in size from 2,334 to 2,459 square feet of living area. The dwellings were built from 1968 to 1971 and thus range in age from 50 to 53 years old. Each comparable has a basement with finished area, central air conditioning, on fireplace, and an attached garage ranging in size from 274 to 484 square feet of building area. The improvement assessments on these properties range from \$69,423 to \$116,050 or from \$28.76 to \$49.72 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on seven equity comparables to support their respective positions, which includes the parties' common comparable. The Board gives less weight to the appellant's comparables #2 and #3 which lack basement finish, which is a feature of the subject. The Board also gives reduced weight to board of review comparable #1 which has a significantly lower improvement assessment than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$97,508 to \$116,050 or from \$41.85 to \$49.72 per square foot of living area. The subject's improvement assessment of \$103,388 or \$48.27 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
