

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Guang Yang
DOCKET NO.: 21-02506.001-R-1
PARCEL NO.: 15-14-203-020

The parties of record before the Property Tax Appeal Board are Guang Yang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,193
IMPR.: \$164,082
TOTAL: \$230,275

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 2,969 square feet of living area. The dwelling was built in 1985 and is 36 years old. Features of the home include a walkout basement with finished area, central air conditioning, one fireplace, and a 1,089 square foot garage. The property has an approximately 20,847 square foot site and is located in Lincolnshire, Vernon Township, Lake County.¹

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.39 of a mile from the subject. The comparables are improved with 2-story dwellings of brick, wood siding, or wood siding and brick exterior construction ranging in size from 2,772 to

3,371 square feet of living area. The dwellings are 34 or 36 years old. Each comparable has a basement with finished area, central air conditioning, one fireplace, and a garage. The comparables have improvement assessments ranging from \$125,215 to \$155,890 or from \$45.17 to \$51.82 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$143,432 or \$48.31 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,275. The subject property has an improvement assessment of \$164,082 or \$55.27 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.05 of a mile from the subject. Board of review comparable #5 is the same property as the appellant's comparable #1. The comparables are improved with 2-story dwellings of brick, wood siding, or wood siding and brick exterior construction ranging in size from 2,772 to 3,134 square feet of living area. The dwellings were built in 1985 or 1986 and thus are 35 or 36 years old. Comparable #2 built in 1985 has an effective year built of 1991. Each comparable has a finished basement with one being a walkout style, central air conditioning, one or two fireplaces, and a garage ranging in size from 528 to 828 square feet of building area. The comparables have improvement assessments ranging from \$125,215 to \$167,836 or from \$45.17 to \$56.26 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration, which includes the parties' common comparable. The Board gives less weight to the appellant's comparable #2 which is less similar to the subject in dwelling size than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$125,215 to \$167,836 or from \$45.17 to \$56.26 per square foot of living area. The subject has an improvement assessment of \$164,082 or \$55.27 per square foot of living area which falls within the range established by the best comparables in the record. Based on this evidence and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
