

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andres Boulosa
DOCKET NO.: 21-02511.001-R-1
PARCEL NO.: 15-23-214-004

The parties of record before the Property Tax Appeal Board are Andres Boulosa, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,484
IMPR.: \$106,386
TOTAL: \$168,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,799 square feet of living area. The dwelling was built in 1967 and is approximately 54 years old. Features of the home include a crawl space foundation, a basement with finished area, central air conditioning, one fireplace, and a 506 square foot garage. The property has an approximately 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.68 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,855 to 3,051 square feet of living area. The dwellings range in age from 45 to 55 years old. One comparable

has a basement with finished area. Three comparables each have central air conditioning. Each comparable has one fireplace and a garage ranging in size from 528 to 736 square feet of building area. The comparables have improvement assessments that range from \$86,572 to \$103,582 or from \$30.32 to \$34.04 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$90,358 or \$32.28 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$168,870. The subject property has an improvement assessment of \$106,386 or \$38.01 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject property and located within 0.90 of a mile from the subject. The comparables are improved with 1-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,657 to 2,812 square feet of living area. The dwellings were built from 1963 to 1974, thus ranging in age from 47 to 58 years old. Comparable #4, the oldest comparable, has an effective year built of 1973. Each comparable has a finished basement with one being a walkout style, central air conditioning, one to three fireplaces, and a garage ranging in size from 483 to 700 square feet of building area. The comparables have improvement assessments that range from \$103,813 to \$117,447 or from \$37.95 to \$42.56 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 which lack a basement foundation, which is a feature of the subject. The Board gives less weight to board of review comparable #5 which differs from the subject in basement style.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and features. The five comparables have improvement assessments that range from \$103,582 to \$117,447 or from \$34.04 to \$41.77 per square foot of living area. The subject's improvement assessment of \$106,386 or \$38.01 per square foot of living area falls within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
