

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Cacioppo
DOCKET NO.: 21-02512.001-R-1
PARCEL NO.: 15-23-209-003

The parties of record before the Property Tax Appeal Board are Michael Cacioppo, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,581
IMPR.: \$68,734
TOTAL: \$136,315

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,888 square feet of living area. The dwelling was constructed in 1956. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and an attached 480 square foot garage. The property has an approximately 23,522 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.41 of a mile from the subject. The comparables are improved with 1-story dwellings of brick or wood siding and brick exterior construction ranging in size from 2,150 to 2,388 square feet of living area. The dwellings range in age from 49 to 54 years old. Each comparable has a

basement with one having finished area, central air conditioning, and an attached garage ranging in size from 450 to 594 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$64,594 to \$75,422 or from \$27.06 to \$33.21 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$58,815 or \$31.15 per square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,315. The subject property has an improvement assessment of \$68,734 or \$36.41 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.50 of a mile from the subject. The comparables are improved with 1-story dwellings of brick, wood siding, or wood siding and brick exterior construction ranging in size from 1,716 to 1,919 square feet of living area. The dwellings were built from 1957 to 1968 and thus range in age from 52 to 64 years old. Comparable #4, the oldest comparable, has an effective year built of 1965. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 400 to 572 square feet of building area. The comparables have improvement assessments ranging from \$69,379 to \$81,881 or from \$39.06 to \$44.24 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables, as well as board of review comparable #4 which differ from the subject in dwelling size, age, and/or basement finish.

The Board finds the best evidence of assessment equity to be the board of review's four remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$75,919 to \$81,881 or from \$42.67 to \$44.24 per square foot of living area. The subject's improvement assessment of \$68,734 or \$36.41 per square foot of living area falls below the range established by the best comparables in the record. Based on the record and after considering necessary adjustments to the two best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
