

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Di Bello
DOCKET NO.: 21-02518.001-R-1
PARCEL NO.: 15-24-201-002

The parties of record before the Property Tax Appeal Board are Joseph Di Bello, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,772
IMPR.: \$133,138
TOTAL: \$198,910

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,267 square feet of living area. The dwelling was constructed in 1971 and is approximately 50 years old. The subject home has an effective age of 1974.¹ Features of the home include a full basement, central air conditioning, a fireplace, and a 484 square foot garage. The property has an approximately 20,040 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located from 0.13 to 0.58 of a mile from the subject and within the same assessment

¹ Additional details regarding the subject property not reported by the appellant are found in the subject's property record card presented by the board of review.

neighborhood code as the subject. The comparables are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 3,038 to 3,490 square feet of living area. The dwellings range in age from 48 to 54 years old. Each home has a basement, two of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 648 square feet of building area. The comparables have improvement assessments ranging from \$109,172 to \$125,225 or from \$33.78 to \$37.23 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,910. The subject property has an improvement assessment of \$133,138 or \$40.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables² located from 0.14 to 0.73 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick or brick and wood siding exterior construction ranging in size from 3,236 to 3,298 square feet of living area. The dwellings were built in 1967 or 1971 and have effective ages ranging from 1971 to 1973. Each home has a basement, central air conditioning, one or two fireplaces, and a garage with either 506 or 528 square feet of building area. The comparables have improvement assessments ranging from \$133,890 to \$148,996 or from \$41.01 to \$45.83 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4, which each have finished basement area that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3 and the board of review's comparables, which are similar to the subject in dwelling size, age, location, and most features. These comparables have improvement assessments that range from \$109,172 to \$148,996 or from \$35.94 to \$45.83 per square foot of living area. The subject's improvement assessment of \$133,138 or \$40.75 per square foot of living area falls within the

² Although the board of review's grid analysis contains five comparables, comparables #2 and #4 are the same property. Thus, the comparable #4 is omitted and comparable #5 is renumbered as comparable #4.

range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
