

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Qing Li  
DOCKET NO.: 21-02527.001-R-1  
PARCEL NO.: 15-23-203-002

The parties of record before the Property Tax Appeal Board are Qing Li, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$65,999
<b>IMPR.:</b>	\$228,041
<b>TOTAL:</b>	\$294,040

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property is improved with a 2-story dwelling of brick and stone exterior construction with 3,903 square feet of living area. The dwelling was built in 2014 and is approximately 7 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 908 square foot attached garage. The property has an approximately 20,473 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located from 0.11 of a mile to 1.07 miles from the subject. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 3,727 to 4,248 square feet of living area. The dwellings range in age from 6 to 32 years old.

Each comparable has a basement with two having finished area, central air conditioning, one or three fireplaces, and an attached garage ranging in size from 660 to 1,112 square feet of building area. The improvement assessments on these properties range from \$203,866 to \$235,190 or from \$49.45 to \$55.36 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$204,253 or \$52.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$294,040. The subject property has an improvement assessment of \$228,041 or \$58.43 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.82 miles from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,724 to 4,821 square feet of living area. The homes were built from 2004 to 2018. Each comparable has a basement with finished area, central air conditioning, from two to five fireplaces, and an attached garage ranging in size from 672 to 940 square feet of building area. The improvement assessments on these properties range from \$216,675 to \$290,822 or from \$58.18 to \$60.32 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight comparables to support their respective positions. The Board gives less weight to the appellant's comparables #1, #2, and #3 as well as board of review comparables #4 and #5 which differ from the subject in age, dwelling size, and or lack basement finish, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 as well as board of review comparables #1 and #2 which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$216,675 to \$258,270 or from \$55.36 to \$59.80 per square foot of living area. The subject's improvement assessment of \$228,041 or \$58.43 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
