

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sean Malia
DOCKET NO.: 21-02585.001-R-1
PARCEL NO.: 14-31-202-004

The parties of record before the Property Tax Appeal Board are Sean Malia, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,403
IMPR.: \$132,627
TOTAL: \$174,030

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,760 square feet of living area. The dwelling was constructed in 1969 and is approximately 52 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 484 square foot garage. The property has an approximately 20,441 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within 0.41 of a mile from the subject, two of which are located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story or 2-story homes of brick or wood siding exterior construction ranging in size from 2,616 to 3,225 square feet of living area. The dwellings range in age from 3 to 52 years old. Each home

has a basement, central air conditioning, and a garage ranging in size from 518 to 770 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$107,834 to \$132,387 or from \$41.22 to \$43.47 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,030. The subject property has an improvement assessment of \$132,627 or \$48.05 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within 0.40 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 2,686 to 2,793 square feet of living area. The dwellings were built from 1968 to 1971 with the oldest home having an effective age of 1971. Each home has a basement, one of which is a walkout basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 567 to 1,053 square feet of building area. The comparables have improvement assessments ranging from \$134,659 to \$146,321 or from \$49.37 to \$53.68 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4, due to substantial differences from the subject in dwelling size, design, and/or age. The Board gives less weight to the board of review's comparable #3, which has a significantly larger garage than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review's comparables #1, #2, #4, and #5, which are similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$107,834 to \$144,197 or from \$41.22 to \$53.37 per square foot of living area. The subject's improvement assessment of \$132,627 or \$48.05 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
