

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Barringer
DOCKET NO.: 21-02589.001-R-1
PARCEL NO.: 13-21-301-026

The parties of record before the Property Tax Appeal Board are John Barringer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,367
IMPR.: \$154,219
TOTAL: \$195,586

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 3,472 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 545 square foot garage. The property has an approximately 44,470 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located from .04 of a mile to 1.82 miles from the subject. The comparables have sites ranging in size from 40,358 to 132,747 square feet of land area that are improved with 2-story dwellings of frame, frame and brick or brick and frame exterior construction ranging in size from 3,144 to 3,824 square feet of living area. The dwellings were built from 1988 to 1993. The comparables have basements, two

of which have finished area and one of which has a walkout. The comparables have central air conditioning, one or two fireplaces, and an attached garage ranging in size from 704 to 936 square feet of building area. The comparables sold from June 2020 to February 2021 for prices ranging from \$490,000 to \$555,000 or from \$141.58 to \$162.21 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,586. The subject's assessment reflects a market value of \$588,229 or \$169.42 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located from .25 of a mile to 3.07 miles from the subject. The comparables have sites ranging in size from 36,720 to 88,860 square feet of land area that are improved with 2-story dwellings of wood siding, brick or wood siding and brick exterior construction ranging in size from 3,361 to 3,863 square feet of living area. The dwellings were built from 1988 to 2007. The comparables have basements, four of which have finished area, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 651 to 903 square feet of building area. The comparables sold from August 2020 to August 2021 for prices ranging from \$660,000 to \$799,000 or from \$171.12 to \$206.83 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3, as well as the board of review's comparables #2 through #5, due to their significantly larger site when compared to the subject and/or their location over a mile from the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. However, each of the parties' best comparables lack finished basement area when compared to the subject. Nevertheless, the best comparables sold in June 2020 and April 2021 for prices of \$510,000 and \$685,100 or \$162.21 and \$198.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$588,229 or \$169.42 per square foot of living area, including land, which falls between the market values of the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
