

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony & Amy Luczkiw  
DOCKET NO.: 21-02593.001-R-1  
PARCEL NO.: 14-10-311-001

The parties of record before the Property Tax Appeal Board are Anthony & Amy Luczkiw, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,374  
**IMPR.:** \$128,160  
**TOTAL:** \$159,534

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,534 square feet of living area. The dwelling was constructed in 1980. Features of the home include an unfinished basement, central air conditioning, two fireplaces, an attached 797 square foot garage and a metal utility shed. The property has an approximately 41,310 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellants contend assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellants submitted information on four comparable properties that are located from 1.33 to 1.58 miles from the subject. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 3,024 to 3,699 square feet of living area. The dwellings were built from 1981 to 1990. The comparables have unfinished basements, one of which has a

walkout, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 782 to 850 square feet of building area. One comparable has a swimming pool. The comparables have improvement assessments ranging from \$101,666 to \$123,024 or from \$30.22 to \$33.62 per square foot of living area. Based on this evidence the appellants requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,534. The subject property has an improvement assessment of \$128,160 or \$36.26 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located from .23 of a mile to 1.75 miles from the subject. The comparables are improved with 2-story dwellings of wood siding or brick exterior construction ranging in size from 3,421 to 3,581 square feet of living area. The dwellings were built from 1980 to 1997, with the home built in 1997 having a 1998 effective age. The comparables have basements, one of which has a walkout, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 682 to 816 square feet of building area. One comparable has a gazebo. The comparables have improvement assessments ranging from \$133,990 to \$141,112 or from \$38.93 to \$39.97 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration, only one of which is located within a mile from the subject. Nevertheless, the Board gives less weight to the appellants' comparables #3 and #4, due to their swimming pool feature or their significantly smaller dwelling size and basement walkout feature when compared to the subject. The Board also gives less weight to the board of review's comparables #1 and #5, due to their newer effective age or their basement walkout feature when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables have improvement assessments ranging from \$111,786 to \$136,866 or from \$30.22 to \$39.97 per square foot of living area. The subject's improvement assessment of \$128,160 or \$36.26 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
