

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vallabh Patel
DOCKET NO.: 21-02598.001-R-1
PARCEL NO.: 14-15-212-020

The parties of record before the Property Tax Appeal Board are Vallabh Patel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,843
IMPR.: \$122,513
TOTAL: \$144,356

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story dwelling of wood siding exterior construction with 3,376 square feet of living area.¹ The dwelling was constructed in 2003. Features of the home include a slab foundation, central air conditioning, a fireplace and an attached 420 square foot garage. The property has an approximately 5,390 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that are located within .37 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,220 to

¹ The Board finds the subject has a 3-story dwelling based on the subject's Property Record Card (PRC), submitted by the board of review, and the photograph of the subject submitted by the appellant.

3,316 square feet of living area. The dwellings were built from 1939 to 2008, with the home built in 1939 having a 1985 effective age. The comparables have unfinished basements, central air conditioning, and an attached or detached 440 or 884 square foot garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$72,778 to \$96,630 or from \$21.95 to \$30.01 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,356. The subject property has an improvement assessment of \$122,513 or \$36.29 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .55 of a mile from the subject. The comparables are improved with 3-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 2,913 to 3,219 square feet of living area. The dwellings were built from 2001 to 2009. The comparables have slab foundations, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 420 to 520 square feet of building area. The comparables have improvement assessments ranging from \$90,700 to \$115,753 or from \$28.18 to \$38.03 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables, due to their dissimilar 2-story style dwelling when compared to the subject. The Board finds the board of review's comparables have varying degrees of similarity to the subject. However, each of the board of review's comparables has a smaller dwelling when compared to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$90,700 to \$115,753 or from \$28.18 to \$38.03 per square foot of living area. The subject's improvement assessment of \$122,513 or \$36.29 per square foot of living area falls above the range established by the best comparables in the record on a total improvement assessment basis but within the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their smaller dwelling size, the Board finds the subject's higher total improvement assessment is justified. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
