

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nadine Fraulini  
DOCKET NO.: 21-02608.001-R-1  
PARCEL NO.: 02-28-404-053

The parties of record before the Property Tax Appeal Board are Nadine Fraulini, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,531  
**IMPR.:** \$106,462  
**TOTAL:** \$124,993

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part 1-story and part 2-story dwelling of wood siding exterior construction with 3,024 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished walkout basement, central air conditioning, two fireplaces and an attached 757 square foot garage. The property has a 22,650 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties that are located within .29 of a mile from the subject. The comparables are improved with part 1-story and part 2-story dwellings of wood siding exterior construction ranging in size from 2,776 to 2,856 square feet of living area. The dwellings were built in 2000 or 2001. The comparables have basements, one of which has finished area, central air

conditioning, a fireplace, and an attached garage ranging in size from 434 to 693 square feet of building area. The comparables have improvement assessments ranging from \$93,607 to \$97,628 or from \$33.34 to \$34.18 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$124,993. The subject property has an improvement assessment of \$106,462 or \$35.21 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .26 of a mile from the subject. The comparables are improved with part 1-story and part 2-story dwellings of wood siding exterior construction ranging in size from 2,612 to 2,808 square feet of living area. The dwellings were built from 1999 to 2002. The comparables have unfinished basements, three of which have a walkout, central air conditioning, and an attached garage ranging in size from 693 to 941 square feet of building area. Four comparables each have a fireplace. The comparables have improvement assessments ranging from \$95,264 to \$101,794 or from \$35.09 to \$36.61 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the board of review's comparable #1, due to its considerably smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. However, each of the best comparables has a smaller dwelling when compared to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$93,607 to \$101,794 or from \$33.34 to \$36.61 per square foot of living area. The subject's improvement assessment of \$106,462 or \$35.21 per square foot of living area falls above the range established by the best comparables in the record on a total improvement assessment basis but within the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their smaller dwelling size, the Board finds the subject's higher total improvement assessment is justified. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
