

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Pulsifer  
DOCKET NO.: 21-02623.001-R-1  
PARCEL NO.: 14-31-202-003

The parties of record before the Property Tax Appeal Board are Howard Pulsifer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,099  
**IMPR.:** \$156,183  
**TOTAL:** \$197,282

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,460 square feet of living area. The dwelling was constructed in 1971. Features of the home include an unfinished basement, central air conditioning, a fireplace, an attached 528 square foot garage and an open frame porch. The property has an approximately 20,290 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within .46 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,138 to 3,782 square feet of living area. The dwellings were built from 1967 to 1972. The comparables have unfinished basements, central air conditioning, a fireplace, and an

attached garage ranging in size from 462 to 529 square feet of building area. Two comparables each have an open frame porch. The comparables have improvement assessments ranging from \$137,083 to \$163,992 or from \$41.87 to \$43.68 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,282. The subject property has an improvement assessment of \$156,183 or \$45.14 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .40 of a mile from the subject. The comparables are improved with 1.5-story or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,349 to 3,603 square feet of living area. The dwellings were built from 1968 to 1972, with the home built in 1972 having a 1973 effective age. The comparables have unfinished basements, two of which have a walkout, central air conditioning, a fireplace, and an attached garage ranging in size from 483 to 864 square feet of building area. Two comparables each have an open frame porch. The comparables have improvement assessments ranging from \$168,467 to \$188,677 or from \$48.64 to \$53.03 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4, due to their considerable difference in dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #1 and #2, due to their dissimilar 1.5-story dwelling when compared to the subject. The Board finds the parties' remaining comparables are similar to the subject in location, style, age, size and most features. The best comparables have improvement assessments ranging from \$142,153 to \$173,611 or from \$41.87 to \$51.11 per square foot of living area. The subject's improvement assessment of \$156,183 or \$45.14 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
