

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pattabhi Raman
DOCKET NO.: 21-02633.001-R-1
PARCEL NO.: 14-35-105-033

The parties of record before the Property Tax Appeal Board are Pattabhi Raman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,287
IMPR.: \$185,779
TOTAL: \$223,066

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,071 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 810 square foot garage. The property has an approximately 47,230 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within .25 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,209 to 4,611 square feet of living area. The dwellings were built from 1988 to 1994. The comparables have unfinished basements, central air conditioning, from one to three

fireplaces, and an attached garage ranging in size from 689 to 920 square feet of building area. One comparable has a gazebo and one comparable has a portico. The comparables have improvement assessments ranging from \$120,603 to \$172,637 or from \$26.24 to \$39.12 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$223,066. The subject property has an improvement assessment of \$185,779 or \$45.63 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .17 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,952 to 4,641 square feet of living area. The dwellings were built from 1986 to 2000. The comparables have unfinished basements, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 743 to 987 square feet of building area. The comparables have improvement assessments ranging from \$198,570 to \$230,633 or from \$47.29 to \$51.26 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3, as well as the board of review's comparable #4, due to their considerably larger dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables have improvement assessments ranging from \$164,654 to \$203,582 or from \$39.12 to \$51.26 per square foot of living area. The subject's improvement assessment of \$185,779 or \$45.63 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
