

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Lerch  
DOCKET NO.: 21-02644.001-R-1  
PARCEL NO.: 03-28-201-006

The parties of record before the Property Tax Appeal Board are William Lerch, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$28,634  
**IMPR.:** \$154,117  
**TOTAL:** \$182,751

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,029 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished walkout basement, central air conditioning, three fireplaces and an attached 509 square foot garage. The property has a 43,560 square foot site and is located in Wadsworth, Newport Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within .30 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,912 to 4,412 square feet of living area. The dwellings were built from 1988 to 2006. The comparables have unfinished basements, central air conditioning, from one to three fireplaces, and an attached

garage ranging in size from 704 to 943 square feet of building area. The comparables have improvement assessments ranging from \$138,521 to \$155,525 or from \$35.25 to \$35.53 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,751. The subject property has an improvement assessment of \$154,117 or \$38.25 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparable properties that are located within .38 of a mile from the subject. The comparables are improved with 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 3,706 to 4,400 square feet of living area. The dwellings were built from 1998 to 2003. The comparables have unfinished basements, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 877 to 1,365 square feet of building area. One comparable has a swimming pool. The comparables have improvement assessments ranging from \$143,396 to \$165,000 or from \$37.24 to \$40.77 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #1, due to its considerably larger dwelling size when compared to the subject. The Board also gives less weight to the board of review's comparables #1, #3 and #5, due to their considerable difference in dwelling size when compared to the subject. In addition, the board of review's comparable #1 has a swimming pool feature when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables have improvement assessments ranging from \$138,521 to \$158,173 or from \$35.41 to \$39.61 per square foot of living area. The subject's improvement assessment of \$154,117 or \$38.25 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
