

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joyce Koenig  
DOCKET NO.: 21-02732.001-R-1  
PARCEL NO.: 09-34-402-001

The parties of record before the Property Tax Appeal Board are Joyce Koenig, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,220  
**IMPR.:** \$131,676  
**TOTAL:** \$168,896

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 3,176 square feet of living area. The dwelling was constructed in 1975 and is approximately 46 years old. Features of the home include a walkout basement with finished area, central air conditioning, a fireplace an 806 square foot garage, and an inground swimming pool.<sup>1</sup> The property has a 42,427 square foot site and is located in Lake Barrington, Wauconda Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The

comparables are improved with 1-story, 1.5-story, or 2-story homes of brick exterior construction ranging in size from 2,651 to 3,162 square feet of living area. The dwellings range in age from 49 to 52 years old. Each home has a basement, one of which is a walkout basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 624 to 776 square feet of building area. The comparables have improvement assessments ranging from \$72,000 to \$111,951 or from \$22.77 to \$39.90 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$168,896. The subject property has an improvement assessment of \$131,676 or \$41.46 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. Comparable #2 is the same property as the appellant's comparable #3. The comparables are reported to be improved with 1-story homes of brick or wood siding exterior construction ranging in size from 2,608 to 3,448 square feet of living area. The dwellings were built from 1969 to 1986 with comparable #3 having an effective age of 1988. Each home has a basement, three of which have finished area and two of which are walkout basements. Each home also features central air conditioning, two or three fireplaces, and a garage ranging in size from 500 to 880 square feet of building area. Comparables #1 and #3 each have an inground swimming pool. The comparables have improvement assessments ranging from \$109,261 to \$155,150 or from \$39.76 to \$54.47 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #2 and #3, including the common comparable, due to substantial differences from the subject in design, dwelling size, and/or basement finish.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #4, which are similar to the subject in dwelling size, age, location, and features, although one comparable lacks an inground swimming pool, suggesting an upward adjustment to this comparable would be needed to make it more equivalent to the subject. These two most similar comparables have improvement assessments of \$139,252 and \$155,150 or of \$44.76 and \$45.00

per square foot of living area, respectively. The subject's improvement assessment of \$131,676 or \$41.46 per square foot of living area falls below the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
