

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Sklansky
DOCKET NO.: 21-02784.001-R-1
PARCEL NO.: 15-29-212-045

The parties of record before the Property Tax Appeal Board are Mark Sklansky, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,414
IMPR.: \$117,176
TOTAL: \$146,590

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,498 square feet of living area. The dwelling was constructed in 1983 and has a reported effective age of 1984. Features of the home include a basement, central air conditioning, a fireplace, and a 420 square foot garage. The property has an approximately 7,140 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.18 of a mile from the subject. The parcels range in size from 7,480 to 10,060 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,198 to 2,565 square feet of living area. The dwellings were built in 1983 with two homes having effective ages of 1988. Each home has a basement with finished area, central air conditioning, a

fireplace, and a 399 or a 420 square foot garage. The comparables sold from August 2019 to March 2020 for prices ranging from \$355,000 to \$440,000 or from \$161.51 to \$171.54 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,590. The subject's assessment reflects a market value of \$440,872 or \$176.49 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.43 of a mile from the subject. The parcels range in size from 7,240 to 9,100 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,322 to 2,406 square feet of living area. The dwellings were built from 1983 to 1990. Each home has a basement, three of which have finished area, central air conditioning, and a garage ranging in size from 400 to 483 square feet of building area. Three homes have a fireplace. The comparables sold from February to July 2021 for prices ranging from \$490,000 to \$555,000 or from \$216.43 to \$248.43 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

In written rebuttal, the appellant argued the board of review's comparables are located in different neighborhoods than the subject and two of the board of review's comparables have better quality of construction than the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables, which are similar to the subject in dwelling size, age, location, site size, and features, although four of these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$440,000 to \$555,000 or from \$171.54 to \$248.43 per square foot of living area, including land.

The subject's assessment reflects a market value of \$440,872 or \$176.49 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
