

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Weiner  
DOCKET NO.: 21-02787.001-R-1  
PARCEL NO.: 16-29-110-098

The parties of record before the Property Tax Appeal Board are Douglas Weiner, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,339  
**IMPR.:** \$307,335  
**TOTAL:** \$361,674

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,806 square feet of living area. The dwelling was constructed in 2014. Features of the home include a basement, central air conditioning, a fireplace, and a 608 square foot garage. The property has an 11,400 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within 0.36 of a mile from the subject. The comparables are improved with 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 4,021 to 4,425 square feet of living area. The dwellings were built in 2011 or 2016. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size

from 506 to 946 square feet of building area. The comparables have improvement assessments ranging from \$204,948 to \$317,886 or from \$49.24 to \$77.52 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$361,674. The subject property has an improvement assessment of \$307,335 or \$80.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables where comparable #4 is the same property as the appellant's comparable #2. The comparables are improved with 2-story or part 1-story and part 2-story homes<sup>1</sup> of wood siding or brick and wood siding exterior construction ranging in size from 3,696 to 4,021 square feet of living area. The dwellings were built from 2014 to 2018. Each home has a basement, one of which has finished area, central air conditioning, and a garage ranging in size from 528 to 770 square feet of building area. Three homes have a fireplace. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$311,721 to \$328,089 or from \$77.52 to \$87.45 per square foot of living area.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #1 and #3, due to substantial differences from the subject in dwelling size, basement finish, and/or inground swimming pool amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1, the appellant's comparable #2/board of review's comparable #4, and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, and features. These comparables have improvement assessments that range from \$204,948 to \$328,089 or from \$49.24 to \$81.88 per square foot of living area. The subject's improvement assessment of \$307,335 or \$80.75 per square foot of living area falls within the range established by the best

<sup>1</sup> The board of review reported comparables #1 and #2 are 1-story homes but also reported above ground living area that is greater than the reported ground floor living area, indicating these homes have second floor living area.

comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
