

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Vlahos
DOCKET NO.: 21-02799.001-R-1
PARCEL NO.: 15-32-404-045

The parties of record before the Property Tax Appeal Board are John Vlahos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,495
IMPR.: \$68,159
TOTAL: \$99,654

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,748 square feet of living area. The dwelling was constructed in 1996. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a garage containing 416 square feet of building area. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .09 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding exterior construction containing either 1,748 or 2,147 square feet of living area. The homes were built in 1992 or 1996. Each dwelling has central air conditioning and a garage containing either 380 or 416 square feet of building area. One comparable has a

finished basement and two comparables have concrete slab foundations. Comparable #3 has a fireplace. The comparables sold in June or December 2020 for prices ranging from \$280,000 to \$335,000 or from \$156.03 to \$167.05 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$93,851, for an estimated market value of \$281,581 or \$161.09 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,654. The subject's assessment reflects a market value of \$299,711 or \$171.46 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .1 of a mile of the subject and within the subject's assessment neighborhood. Comparable #2 is the same property as appellant comparable #1. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 1,680 to 1,886 square feet of living area. The dwellings were built in 1995 or 1996. Each dwelling has central air conditioning, a concrete slab foundation, and a garage containing either 416 or 437 square feet of building area. Two comparables each have a fireplace. The comparables sold from July 2020 to June 2021 for prices ranging from \$275,000 to \$325,000 or from \$163.69 to \$185.93 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparable #3 due to differences from the subject in dwelling size and foundation.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$280,000 to \$325,000 or from \$160.18 to \$185.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$299,711 or \$171.46 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
