

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexandra Houmpavlis  
DOCKET NO.: 21-02808.001-R-1  
PARCEL NO.: 10-33-405-006

The parties of record before the Property Tax Appeal Board are Alexandra Houmpavlis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,351  
**IMPR.:** \$107,877  
**TOTAL:** \$138,228

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,013 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 462 square feet of building area. The property has a 15,320 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .77 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick and wood siding exterior construction ranging in size from 3,013 to 3,436 square feet of living area. The homes were built from 2004 to 2007. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in

size from 455 to 835 square feet of building area. The parcels range in size from 12,900 to 23,870 square feet of land area. The comparables sold from August 2018 to December 2020 for prices ranging from \$360,000 to \$430,000 or from \$117.30 to \$125.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$122,765, for an estimated market value of \$368,332 or \$122.25 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,228. The subject's assessment reflects a market value of \$415,723 or \$137.98 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .75 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,026 to 3,116 square feet of living area. The dwellings were built in 2004 or 2006. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 476 to 525 square feet of building area. The parcels range in size from 12,970 to 15,680 square feet of land area. The comparables sold from August 2020 to September 2021 for prices ranging from \$485,000 to \$520,000 or from \$156.76 to \$171.84 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 through #3, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal. The Board also gives reduced weight to board of review comparable #2, which features finished basement area unlike the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which sold proximate to the valuation date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold for prices ranging from \$430,000 to \$520,000 or from \$125.15 to \$171.84 per square foot of living area, including land. The subject's assessment reflects a market value of \$415,723 or \$137.98 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis and below the range overall. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
