

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexandra Houmpavlis
DOCKET NO.: 21-02812.001-R-1
PARCEL NO.: 16-31-207-019

The parties of record before the Property Tax Appeal Board are Alexandra Houmpavlis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$74,565
IMPR.: \$101,733
TOTAL: \$176,298

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of brick and wood siding exterior construction with 2,517 square feet of living area. The dwelling was constructed in 1965. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property has an approximately 20,000 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .21 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 2,400 to 2,800 square feet of living area. The homes were built from 1964 to 1967. Each dwelling has central air conditioning, one or two fireplaces, a finished lower level, and a garage containing 462 square feet of building

area. Comparables #2 and #3 each have subbasements, one of which has finished area. The parcels range in size from 18,016 to 19,672 square feet of land area. The comparables sold from March 2017 to December 2019 for prices ranging from \$390,000 to \$540,000 or from \$156.25 to \$192.86 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$144,376, for an estimated market value of \$433,171 or \$172.10 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,298. The subject's assessment reflects a market value of \$530,220 or \$210.66 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.64 miles of the subject. The comparables consist of two-story or part one-story and part two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,050 to 2,855 square feet of living area.¹ The dwellings were built from 1959 to 1978. Each dwelling has central air conditioning, a basement with one having finished area, and a garage ranging in size from 483 to 800 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 8,770 to 19,940 square feet of land area. The comparables sold from June to November 2020 for prices ranging from \$531,000 to \$680,000 or from \$186.95 to \$265.00 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables due to their less proximate sale dates for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparables 2 and #3 due to differences from the subject in age or location.

The Board finds the best evidence of market value to be board of review comparable sales #1 and #4, which are similar to the subject in age, location, dwelling size, and some features. These

most similar comparables sold in June and November 2020 for prices of \$533,733 and \$680,000 or for \$186.95 and \$265.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$530,220 or \$210.66 per square foot of living area, including land, which is below the best comparable sales in this record overall and bracketed by the best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
