

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dragan Kovacevic
DOCKET NO.: 21-02816.001-R-1
PARCEL NO.: 16-07-103-005

The parties of record before the Property Tax Appeal Board are Dragan Kovacevic, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$91,465
IMPR.: \$285,013
TOTAL: \$376,478

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,600 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 804 square feet of building area. The property has an approximately 28,750 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .33 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of brick exterior construction ranging in size from 2,085 to 3,346 square feet of living area. The homes were built in 1970 or 1972. Each dwelling has central air conditioning, one or

three fireplaces, a basement with finished area,¹ and a garage ranging in size from 484 to 600 square feet of building area. The parcels range in size from 20,350 to 30,420 square feet of land area. The comparables sold from January to November 2021 for prices ranging from \$575,000 to \$655,000 or from \$171.85 to \$211.63 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$302,986, for an estimated market value of \$909,049 or \$197.62 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$376,478. The subject's assessment reflects a market value of \$1,132,265 or \$246.14 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .46 of a mile of the subject. The comparables consist of 1.75-story or 2-story dwellings of brick, wood siding, brick and wood siding or Dryvit and stone exterior construction ranging in size from 3,799 to 4,561 square feet of living area. The dwellings were built from 1990 to 2003. Each dwelling has central air conditioning, one to four fireplaces, a basement with four having finished area, and a garage ranging in size from 682 to 978 square feet of building area. Four comparables have parcels ranging in size from 21,340 to 34,410 square feet of land area. The comparables sold from June 2020 to October 2021 for prices ranging from \$887,500 to \$1,319,500 or from \$194.58 to \$321.59 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board, with three comparables being common to the parties. The Board gives less weight to the appellant's comparables due to differences in age and dwelling size when compared to the subject. The Board also gives reduced weight to board of review comparable #3 due to its smaller dwelling in relation to the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1, #2, #4, and #5, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold for prices ranging from \$887,500 to \$1,319,500 or from

¹ The appellant also submitted Multiple Listing Service listing sheets for the comparables, which note each of the comparables has finished basement area.

\$194.58 to \$321.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,132,265 or \$246.14 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
