

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Juan Gonzalez  
DOCKET NO.: 21-02838.001-R-1  
PARCEL NO.: 14-31-302-026

The parties of record before the Property Tax Appeal Board are Juan Gonzalez, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,534  
**IMPR.:** \$174,656  
**TOTAL:** \$213,190

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,448 square feet of living area. The dwelling was constructed in 1968 and is approximately 53 years old. Features of the home include an unfinished walk-out basement, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 21,546 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and within .42 of a mile from the subject. The comparables are improved with 2-story dwellings of brick and frame exterior construction that range in size from 3,258 to 4,068 square feet of living area. The dwellings were built from 1966 to 1968. Each comparable has an unfinished basement, central

air conditioning, one or two fireplaces and a garage ranging in size from 484 to 897 square feet of building area. The comparables have improvement assessments that range from \$142,153 to \$168,450 or from \$39.43 to \$46.19 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$149,617 or \$43.39 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,190. The subject has an improvement assessment of \$174,656 or \$50.65 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within .32 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction that range in size from 3,195 to 3,846 square feet of living area. The dwellings were built from 1967 to 1972 with comparables #4 and #5 having an effective year built of 1979 and 1983, respectively. Each comparable has an unfinished basement, one of which is a walk-out style, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 909 square feet of building area. The comparables have improvement assessments that range from \$189,836 to \$229,300 or from \$49.93 to \$71.77 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #5 due to differences in their dwelling sizes when compared to the subject. The Board also gives less weight to the board of review comparable #1 which appears to be an outlier with its higher improvement assessment relative to the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are relatively similar to the subject in location, dwelling size, and age, but have varying degrees of similarities in other features. These comparables have improvement assessments that range from \$142,153 to \$201,302 or from \$42.80 to \$53.07 per square foot of living area. The subject's improvement assessment of \$174,656 or \$50.65 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
