

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Osmond  
DOCKET NO.: 21-02842.001-R-1  
PARCEL NO.: 14-12-304-014

The parties of record before the Property Tax Appeal Board are Debra Osmond, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,746  
**IMPR.:** \$114,997  
**TOTAL:** \$153,743

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,978 square feet of living area.<sup>1</sup> The dwelling was constructed in 1987 and is approximately 34 years old. Features of the home include a basement, central air conditioning, one fireplace, a partially finished attic and a 672 square foot garage. The property has an approximately 50,907 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables are located within .63 of a mile from the subject property

<sup>1</sup> The parties differ regarding the subject's dwelling size. The Board finds the best evidence regarding the subject's property description was provided in the property record card submitted by the board of review which contains a schematic diagram with dimensions of the improvements, and was not refuted by the appellant in rebuttal.

and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,290 to 3,726 square feet of living area. The dwellings were built from 1983 to 1989. Each comparable has a basement, one of which is a look out style, central air conditioning, one or two fireplaces, and a garage ranging in size from 759 to 1,464 square feet of building area. The comparables have improvement assessments ranging from \$46,261 to \$114,024 or from \$20.18 to \$35.85 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$86,184 or \$29.23 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,743. The subject property has an improvement assessment of \$114,997 or \$38.62 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located within .40 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,954 to 3,066 square feet of living area. The dwellings were built in 1987 or 1988. Each comparable has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 748 to 759 square feet of building area. The comparables have improvement assessments ranging from \$120,074 to \$133,212 or from \$39.94 to \$43.62 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 which are less similar to the subject in dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and #4 as well as the board of review's comparables. These comparables are relatively similar to the subject in location, dwelling size, age, and features. These comparables have improvement assessments ranging from \$97,642 to \$133,212 or from \$30.31 to \$43.62 per square foot of living area. The subject's improvement assessment of \$114,997 or \$38.62 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds

the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
