

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chaofeng Liu  
DOCKET NO.: 21-02843.001-R-1  
PARCEL NO.: 14-18-304-008

The parties of record before the Property Tax Appeal Board are Chaofeng Liu, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,865  
**IMPR.:** \$116,251  
**TOTAL:** \$134,116

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,632 square feet of above ground living area. The dwelling was constructed in 1996. Features of the home include a basement, central air conditioning, a fireplace and a 400 square foot garage. The property has a 5,880 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .65 of a mile from the subject. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,186 to 2,927 square feet of above ground living area. The dwellings were built from 1988 to 2001. Each comparable has a basement, one

of which is a walkout style, central air conditioning, one fireplace and a garage ranging in size from 420 to 744 square feet of building area. The comparables have improvement assessments ranging from \$89,653 to \$121,155 or from \$36.87 to \$42.15 per square foot of above ground living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$106,214 or \$40.35 per square foot of above ground living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,116. The subject property has an improvement assessment of \$116,251 or \$44.17 per square foot of above ground living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .60 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,550 to 2,724 square feet of above ground living area. The dwellings were built from 1988 to 2001. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 441 to 624 square feet of building area. The comparables have improvement assessments ranging from \$111,717 to \$125,156 or from \$42.99 to \$46.87 per square foot of above ground living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 which are less similar to the subject in dwelling size than the other comparables in the record and/or have walkout style basement, unlike the subject.

The Board finds the best evidence of equity to be appellant's comparables #1 and #4 along with the board of review comparables which are relatively similar to the subject in location, dwelling size, and age, but have varying degrees of similarity to the subject in other features. These comparables have improvement assessments that range from \$103,245 to \$125,156 or from \$36.87 to \$46.87 per square foot of above ground living area. The subject's improvement assessment of \$116,251 or \$44.17 per square foot of above ground living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
