

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajeen Kumar
DOCKET NO.: 21-02858.001-R-1
PARCEL NO.: 14-33-404-003

The parties of record before the Property Tax Appeal Board are Rajeen Kumar, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,195
IMPR.: \$133,601
TOTAL: \$172,796

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,201 square feet of living area. The dwelling was constructed in 1977. Features of the home include a 1,470 square foot basement, central air conditioning, one fireplace, and a 725 square foot garage. The property has an approximately 38,702 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within .51 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction that range in size from 3,201 to 3,297 square feet of living area. The dwellings were built from 1975 to 1977. Each comparable has either a 1,470 or 1,510 square foot basement, central air conditioning, one or two fireplaces, and a garage with 754 square feet of building area.

The comparables have improvement assessments that range from \$105,555 to \$114,514 or from \$32.89 to \$35.45 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$109,018 or \$34.06 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,796. The subject property has an improvement assessment of \$133,601 or \$41.74 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same neighborhood code as the subject property and located within .51 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction that range in size from 3,201 to 3,297 square feet of living area. The dwellings were built in 1976 or 1977. Each comparable has from a 1,470 to a 1,734 square foot basement, central air conditioning, one fireplace, and a garage with 754 or 1,015 square feet of building area. Comparable #2 was reported as having an inground swimming pool. The comparables have improvement assessments ranging from \$141,224 to \$152,646 or from \$43.44 to \$46.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review comparables #1 through #4 which are less similar to the subject in dwelling, basement, and/or garage sizes than the other comparables in the record. Additionally, the board of review comparable #2 has an inground swimming pool which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are identical or nearly identical to the subject in location, age, dwelling size, and other features. These four comparables have improvement assessments ranging from \$105,555 to \$141,224 or from \$32.98 to \$44.12 per square foot of living area. The subject's improvement assessment of \$133,601 or \$41.74 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
