

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Kerkes  
DOCKET NO.: 21-02875.001-R-1  
PARCEL NO.: 14-31-304-015

The parties of record before the Property Tax Appeal Board are Matthew Kerkes, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,700  
**IMPR.:** \$162,040  
**TOTAL:** \$211,740

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,550 square feet of living area. The dwelling was constructed in 1966. Features of the home include a 1,956 square foot unfinished basement, central air conditioning, one fireplace, and a 494 square foot garage. The property has an approximately 33,976 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within .50 of a mile from the subject. The appellant reported that the comparables are improved with two-story dwellings of brick or brick and frame exterior construction that range in size from 3,138 to 4,068 square feet of living area. The dwellings were built from 1967 to 1969. Each comparable has from a 1,219 to a 1,722 square foot

unfinished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 897 square feet of building area. The comparables have improvement assessments ranging from \$137,083 to \$163,992 or from \$39.43 to \$43.68 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,740. The subject property has an improvement assessment of \$162,040 or \$45.65 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on 15 equity comparables located within .58 of a mile from the subject. The board of review reported the comparables are improved with 2-story dwellings of brick, frame or brick and frame exterior construction that range in size from 3,258 to 3,796 square feet of living area. The homes were built from 1966 to 1971, with comparables #14 and #15 having effective years built of 1977 and 1974, respectively. Each comparable has from a 918 to a 2,099 square foot unfinished basement with one comparable having a walkout style, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 713 square feet of building area. The comparables have improvement assessments ranging from \$150,485 to \$174,633 or from \$45.73 to \$46.33 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 19 comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with the board of review comparables #1, #2, #6, #9, and #14 due to differences in their dwelling sizes and/or basement sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall more similar to the subject in location, dwelling size, age, basement size, and other features. These eleven comparables have improvement assessments that range from \$142,153 to \$174,633 or from \$42.80 to \$46.33 per square foot of living area. The subject's improvement assessment of \$162,040 or \$45.65 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
