

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kyle Kamholz
DOCKET NO.: 21-02882.001-R-1
PARCEL NO.: 14-22-309-011

The parties of record before the Property Tax Appeal Board are Kyle Kamholz, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$59,974
IMPR.: \$251,152
TOTAL: \$311,126

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,871 square feet of living area. The dwelling was constructed in 2003. Features of the home include a 2,325 square foot unfinished basement, central air conditioning, one fireplace and a 796 square foot garage. The property has an approximately 23,688 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within .25 of a mile from the subject and have the same neighborhood assessment code as the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,882 to 5,425 square feet of living area. The dwellings were built from 2003 to 2006. Each comparable has from a 2,201 to a 3,328

square foot unfinished basement, central air conditioning, two or three fireplaces, and a garage ranging in size from 745 to 1,166 square feet of building area. The comparables have improvement assessments ranging from \$211,334 to \$237,011 or from \$38.96 to \$48.25 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$217,855 or \$44.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$311,126. The subject property has an improvement assessment of \$251,152 or \$51.56 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on ten comparable properties that are located within .41 of a mile from the subject and have the same neighborhood assessment code as the subject. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 4,421 to 5,433 square feet of living area. The dwellings were built from 2003 to 2007. Each comparable has from a 2,225 to a 3,115 square foot unfinished basement, four of which are walkout style, central air conditioning, from two to four fireplaces, and a garage ranging in size from 694 to 1,038 square feet of building area. The comparables have improvement assessments ranging from \$233,642 to \$287,349 or from \$51.75 to \$54.97 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of fourteen comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review comparables #2, #4, #5, #7, #9 and #10 which are less similar to the subject than the other comparables in dwelling size, basement size, and/or have a walkout style basement, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are relatively similar to the subject in location, age, dwelling size, basement size and style, and most features. These seven comparables have improvement assessments that range from \$224,627 to \$267,533 or from \$45.68 to \$53.31 per square foot of living area. The subject's improvement assessment of \$251,152 or \$51.56 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
