

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Hourigan
DOCKET NO.: 21-02894.001-R-1
PARCEL NO.: 14-08-105-003

The parties of record before the Property Tax Appeal Board are Dan Hourigan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,011
IMPR.: \$102,677
TOTAL: \$127,688

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch-style dwelling of wood siding exterior construction with 2,038 square feet of living area. The dwelling was built in 1963 and is approximately 58 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and an 822 square foot garage. The property has an approximately 37,044 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with ranch-style dwellings of brick or wood siding exterior construction ranging in size from 1,816 to 2,418 square feet of living area. The dwellings range in age from 46 to 53 years old. Each comparable has an unfinished basement, central air

conditioning, one or two fireplaces, and a garage that ranges in size from 484 to 625 square feet of building area. The comparables have improvement assessments ranging from \$76,675 to \$102,501 or from \$39.99 to \$45.96 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$86,900 or \$42.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$127,688. The subject property has an improvement assessment of \$102,677 or \$50.38 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables¹ located within the same assessment neighborhood code as the subject property. The comparables are improved with ranch-style dwellings of wood siding or brick exterior construction ranging in size from 1,844 to 2,313 square feet of living area. The dwellings were built from 1967 to 1979 and thus would range in age from approximately 42 to 54 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and a garage that ranges in size from 528 to 792 square feet of building area. The comparables have improvement assessments ranging from \$93,865 to \$118,096 or from \$50.90 to \$51.33 per square foot of living area. The board of review disclosed the subject sold in November 2018 for \$380,000 or \$186.46 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #4, as well as board of review comparables #3 and #4 which are less similar to the subject in age and/or dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' five remaining comparables which are similar to the subject in location, design, age, dwelling size, and features. The best comparables have improvement assessments ranging from \$76,675 to \$114,502 or from \$39.99 to \$51.12 per square foot of living area. The subject's improvement assessment of \$102,677 or \$50.38 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after consideration of appropriate adjustments to the best comparables for differences from the subject, the Board finds the

¹ Board of review comparable #4 is the same property as board of review comparable #1.

appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
